

Women's Graduation Gift Bags

Keep Your Love On is a parenting class focused especially on mothers. Although we do offer this to the public, our main clients are women who are in addiction recovery or incarcerated. The women we minister to and teach are getting ready to re-enter the community and are in need of encouragement. Classes are offered 4-5x yearly and serve approximately 120 women annually. At the completion of each class, we host a graduation party to celebrate their progress. Little things mean so much and kindness heals hearts.

Items we need:

Gel Color Pens
Colored Pencils
Adult Coloring Books
Pretty Writing Journals
